### **Barrovian Foundation**

Margaret Mansfield from the Barrovian Foundation is putting together CVs of old King William's College pupils and Buchan Old Girls who have pursued unusual career paths – successful or otherwise! We have many notable alumni but the plan is to show visiting parents and our pupils that there are many different ways of being a success, not necessarily as academics although we will also include a cross section of the latter. Any contacts will be gratefully accepted and most will be on our data base. If you don't have an up to date contact – we will do the research. Please let us have some names, you're the people who know them - we'll make them famous, or infamous!

Please contact the Foundation Office on 820115 or call Margaret on 480368, alternatively email the Foundation. Margaret will be away from 5<sup>th</sup> – 18<sup>th</sup> May but in the meantime please contact Paula Hodgson.

Thank you
