Science
English
Maths
Humanities
Reading

HOMEWORK GUIDELINES:

The precise amount of time spent on homework is much less important than the quality of tasks set and the way they are planned to support learning. However, the following is given as a guide when completing homework tasks.

Reception	10 mins per day Sharing and reading books with an adult
Years 1 & 2	10 mins per day Literacy work to include reading & spelling Numeracy to include number based activities
Years 3 & 4	10 – 15 mins per day Literacy & numeracy with assignments in other subjects
Years 5 & 6	20 - 30 mins per day Weekly schedule with emphasis on literacy & numeracy

Literacy – reading practice and listening to others forms an essential part of learning throughout the Primary years. Reading should form the basis of all homework time and should range between 10 mins in Pre Prep and extending to 20 mins per day in Prep. Other literacy work will include practising spellings and punctuation.

Numeracy – number games & tasks, learning times tables alongside more challenging activities set for Prep pupils.

Topics for the Summer Term 2010
