HOMEWORK GUIDELINES:

The precise amount of time spent on homework is much less important than the quality of tasks set and the way they are planned to support learning. However, the following is given as a guide when completing homework tasks.

Reception	10 mins per day Sharing and reading books with an adult
Years 1 & 2	10 mins per day Literacy work to include reading & spelling Numeracy to include number based activities
Years 3 & 4	10 – 15 mins per day Literacy & numeracy with assignments in other subjects
Years 5 & 6	20 - 30 mins per day Weekly schedule with emphasis on literacy & numeracy

Literacy – reading practice and listening to others forms an essential part of learning throughout the Primary years. Reading should form the basis of all homework time and should range between 10 mins in Pre Prep and extending to 20mins per day in Prep. Other literacy work will include practising spellings and punctuation.

Numeracy – number games & tasks, learning times tables alongside more challenging activities set for Prep pupils.

Topics for the Spring Term 2011

Prep Dept:
Form 4

Consolidate the Autumn term curriculum plus ordering decimal numbers
 Division of money
 Long multiplication
 Rotations & reflections
 Column addition & subtraction
 Angles
 2D & 3D shapes
 Measures imperial & metric
 Ratio, proportion
 Numberwork (factors, primes)
 Problem solving

Swimming - stroke technique & snorkeling
 PE & Games - rugby, netball, football and hockey

Control project
 Inputs & feedback loops
 Spreadsheets
 Graphs and bar charts

Public Speaking
 Text Work

Movement in Art
 anatomical sketching
 printing

Slavery to Jazz (songs/composing/improvising)
 Easter Service
 Public Performance

Epiphany, early years of Jesus Christ and his ministry leading up to Easter
